Sorry, but it seems like it's goodbye, for now. -- Grendel

It's started. The big race for a good college and a good life has, I mean. I'm taking my PSAT 8/9 in 7 days, and I have several math contests that I'm active in. My parents tell me it's not even gotten serious yet. I don't have much time left here at home, and I need to step it up. Sometimes, I end up procrastinating because, well, because I post on here. I'm not blaming this place, though--I love it here. However, I'm forced to take a leave due to studies. It might be temporary, it might be permanent, I don't know. I could be back tomorrow, or I could never post on here again. Thank you for understanding, and I sincerely hope that I'll be able to come back. I know this was sudden.

Aww man, bye Grendel!! I wish you luck in your contests and studies. I hope you can come back, because you are one of my best forum friends. I think this is the right decision though - it's better to study so you can get a future rather than post on a children's book forum. Good luck!! Remember us!
